

The opening of Galeria Echo was greeted by crowds of shoppers

## GALERIA ECHO REOPENS

■ POLAND **Echo Investment** has reopened the **Galeria Echo** shopping centre after the completion of extension work. The total area of the facility now amounts to 159,000 sqm, out of which 70,000 sqm is leasable. The mall also has parking spaces for 2,300 vehicles. Tenants include stores such as: TK Maxx, Zara, C&A, H&M, New Yorker and Pull&Bear. The centre's extension was designed by the Detan architectural studio of Kielce, while the design of the façade and the interior was by the Open Architekci architectural studio.
